

NEIGHBORHOOD RECOGNITION PROGRAM

The City of Renton's Neighborhood Program was established to create positive communication between residents and city government. The program fosters a sense of community, helps residents address specific concerns and is a forum where citizens can work together to build neighborhoods that contribute to the positive image of the entire community.

The City of Renton would like to recognize your neighborhood by inviting you to participate in the Neighborhood Recognition Program. Participation in the program will enable your neighborhood to be officially recognized and will be an opportunity to reap the benefits that come with being part of the program.

Benefits include:

- ❑ Appointment of a volunteer City liaison to work directly with your neighborhood
- ❑ Eligibility for funding of a neighborhood group picnic/celebration
- ❑ Linkage to the City's web site
- ❑ Opportunity to publicize neighborhood events on the community's cable access station Channel 21 as they relate to the neighborhood program and are within cable access policy guidelines.

The process of becoming officially recognized is very simple...all it takes is completing the attached application and returning it to:

Norma McQuiller
Neighborhood Coordinator
Economic Development, Neighborhoods and Strategic Planning
City of Renton
1055 S. Grady Way
Renton, WA 98055

After your application is processed, your neighborhood group will be assigned a volunteer City liaison that will be in contact with you.

If you have any questions, please contact Norma McQuiller at 425-430-6595 or nmcquiller@ci.renton.wa.us.

We look forward to working with your neighborhood and having you as an integral part of our community's team.
